## **Welcome to Dance Jam!**

Over the past two seasons, we have all had to adapt to ongoing changes in our world.

Throughout this, dance studios continued to provide youth with a community they loved. It may have looked different, but the passion for dance and children shone through as they navigated the continuous changes and kept the community bond strong.

There were many learning curves, but one that resonates is how important dance is to our youth. Dance studios provide more than dance lessons; they provide a community, a support system, develop lifelong friendships and are a safe place when the world is upside down. Studio owners and teachers have proven that they will be there for your family during difficult times. They will do what it takes to continue providing a valuable service.

Within a very short time, Dance Jam organized and held a studio block event last season. It required open minded thinking and lots of tactical planning, but we saw the dancers on stage!

We are thrilled to be back with a full audience watching the dances do what they love. We can once again see the glow on their faces and the spark in their eyes as they perform.

Congratulations to each of you for what you have come through. YOU are amazing!

This year, more than ever, we will thoroughly enjoy seeing the smiles on stage.

Cheer loud, cheer proud! ENJOY each moment!

Dancers – TAKE THE STAGE!

## Adjudicator

### Krista Faraday

Krista began dancing at the age of three, and immediately fell in love with dance. She enjoyed training in numerous genres, which allowed her to be well experienced in all styles including Ballet, Pointe, Jazz, Hip Hop, Tap, Musical Theatre, Lyrical and Contemporary.

During her youth Krista performed at many events including the BC Summer Games and has danced with various traveling performing groups. At a young age Krista began training throughout the lower mainland and Las Vegas.

Krista believes in continually growing, learning and training and does so by attending workshops and conventions in Vancouver, Long Beach and New York City. She has received certification in Acrobatic Arts, Progressing Ball Technique, Canadian Leadership Adjudicators, Alixa Flexibility and Mental Health for Dancers.

Krista LOVES teaching dance, sharing her passion with today's youth and is a youth mentor for her city of Kamloops B.C. She also owns a studio in Kamloops, where she believes in offering a safe, all-inclusive space for youth as well as excellent training.

Krista is excited to be part of the Dance Jam adjudication team and looks forward to all the performances! She hopes each dancer enjoys every moment on stage!

## Adjudicator

### Heather Lawrence Thomas

As a second-generation dance teacher and studio owner (season 39), Heather brings over 45 years of teaching experience to her classes and adjudications.

Heather began her training in England at the age of three and hasn't stopped learning since. She believes continuing our education with open minds allows us to broaden our views on new dance styles, adaptations of genres and the creative process that others visualize.

Heather is educated in Al Gilbert, ADAPT (Associated Dance Arts for Professional Teachers), RAD (Royal Academy of Dancing), BATD (British Association Teachers of Dance) and AA (Acrobatic Arts/Acro, Baton, Aerial Hoop) syllabi. Over the years she has trained with leading Teachers, Choreographers and true Masters in the art of dance around the world. Heather has travelled the globe presenting the Acrobatic Arts teacher certification courses to fellow dance educators, while conducting examinations for students in the Acrobatic Arts Syllabus.

Ms. Thomas is deeply passionate about the art of dance. She truly enjoys sharing her knowledge with her students, many of who have professional careers in the performing arts world; from cruise ships to Las Vegas stages and music videos to standup comedy! What really warms Heather's heart is that many of her students are now exceptional dance teachers and studio owners. Nothing could make her prouder than seeing the world of dance continue to grow and prosper with her guidance.

Along with her busy schedule, Heather finds time to adjudicate at dance festivals and competitions around the world. She loves the opportunity this gives her to experience and appreciate performances by amazing advanced/pre professional dancers and offer encouragement to up and coming future stars of dance, our "Stars of Tomorrow".

Heather is grateful to be part of this fantastic event.

Good luck and remember to "Leave It All On The Stage"
